

UNIVERSAL LARGE FORMAT 6-PIECE DIMENSIONAL CUT PAVING PATTERN

Joint widths: 0", 1/4", 3/8", 1/2"

Notes: Works well with 1/2", 1" and 1 1/2" thick standard cut bluestone. Installer may perform any joint width and will not have to pay for a special cut, as standard bluestone dimensional cut sizes may be used. This pattern may also be used with other stone types.
